Dear Faith Community Church:

Welcome to the Oaxaca Street Children in Oaxaca, Mexico!! Thanks for wanting to sponsor a child with needs for an education. Here is the information on your child and a copy of the assignment sheet for sponsorship:

NAME: Flor Natali Hernandez Velasco

AGE: 7

DATE OF BIRTH: August 4, 2011

SCHOOL: just finished 2nd grade primary

FAMILY: Jovita (30) - mother: she washes and irons for others 3 times weekly, earning 650 pesos weekly (\$ 32.50 U.S.)
Father has abandoned the family and of no help to them.
Ashley (10) sister, 4th grade primary.
Gabriela (4) sister

HOME: They own their home, one room, tin walls, tin roof, cement floor. They have 2 beds, cook outdoors under a tin awning. They have an outdoor latrine, built of tin, no drain in the home, buy water from the water truck. They also buy drinking water in jugs. The diet is basic, rice and beans, tortillas, some fruit, meat only on special days. They have electricity and cook with gas. This is a humble setting and thanks for your help to help Flor go to school.

I have also enclosed a photo of her home. Four people in one room. Grandma, in the wheelchair and a nephew were just visiting the day the photo was taken.

Thanks for wanting to sponsor Flor and help her with her education. She is a neat little girl who now has a chance for a better life with an education.

If you have any questions, contact me. Also if you wish to send a gift for Christmas please contact me by Oct. 1 and I will be leaving shortly after that date for Oaxaca.

Thanks again!

Sincerely,

Cliff Hinderman
