REMEMBER WHAT GOD HAS DONE

While the popular mood of society toward the past alternates between love and loathing, recalling the past is essential for knowing who we are as persons and as Christians. Why should we rehash what has already happened? What should we recall about ourselves and about God? How can memories of the past spur us on to spiritual renewal in the present and hope for the future?

Join Pastor Jennifer in this single session study centering our hearts in anticipation of the Thanksgiving and Advent seasons. The study will be offered on Wednesday, November 14th, with the option of attending the daytime session at 1:00 pm or the evening session at 7:00 pm. In preparation it is suggested that participants read the article "Reading Life Backwards" which is available at the church office. (no purchase required)

NEW SUPPLY!
