

Dear godfather

Good morning, afternoon or evening I hope you receive a warm greeting.

I am very grateful for the support you will give me during this school year, I am a very nice girl, it makes me very happy that you have accepted to be my godfather, I promise to put a lot of effort into school to maintain my average academic excellence, I am very happy since my final average is 9.7, in 1st of elementary, during this cycle I participated in a dance from the isthmus region, a very beautiful region of Oaxaca, I love dancing folkloric dance, my favorite subjects are Spanish and education artistic.

We live in Colonia Los Encinos in Santa Rosa. My two sisters, my mom and I are the ones who integrate the family, my mom makes tortillas that is her job, I also want to share that on August 4 she will be 7 years old.

I send you many congratulations for these holiday parties that I have a great time at Christmas and I wish you a prosperous new year, until soon God sends you many blessings.
