SAVE YOUR TABS!!

Churches, civic groups, schools and many individuals pull together for the Ronald McDonald House in Sioux Falls. The house is a home away from home for parents of children 21 and under who are in hospitals or receiving treatment at Sioux Falls. The home does not charge the families but there is a freewill offering in the home. Clean linens are provided, but you must make your own bed and keep your room clean. Laundry is done by a local laundry...washers and dryers are available for personal laundry. Cooking facilities, refrigerators and microwaves are available. Snack foods and casseroles are donated by many volunteers. They have a fenced-in outdoor play yard and playroom inside. The money the home receives from tabs goes to maintain the home and provide for many families. You may bring your tabs to the church office. Thank you!
